Research on **bias and fairness in AI**, robust learning under spurious correlations, domain adaptation, and uncertainty estimation, with applications in computer vision and multimodal systems. Recent work includes black-box bias mitigation (**CVPR 2026**) and alignment-gated robust learning (**ICLR 2026**).

EDUCATION

PhD - DATA SCIENCE & ENGINEERING

Bhopal, MP, IN | August 2022 – Present

TCS RESEARCH FELLOW

VISDOM LAB - INDIAN INSTITUTE OF SCIENCE EDUCATION AND RESEARCH (IISER) BHOPAL

Advisor : Dr. Vinod Kr. Kurmi

Research Area: Bias and Fairness in AI, Transfer Learning, Knowledge Graphs and LLMs, Uncertainty Estimation

INTEGRATED M.Sc. STATISTICS

Ajmer, RJ, IN | July 2016 – August 2021

CENTRAL UNIVERSITY OF RAJASTHAN

Master's Thesis : Proposed new distribution function - **Skew Laplace Slash Beta** from Slash Family of distribution which is asymmetric, heavy tailed and accounts for extreme values and outliers.

WORK EXPERIENCE

ADOBE RESEARCH | PHD TECH INTERN - DATA SCIENCE

Bangalore, Full Time | May 2026 – July 2026

- Developing harnesses for large language models, focusing on expert systems and specialized model behavior for high-stakes answering tasks.

SONY AI | RESEARCH INTERN - DATA SCIENCE

Remote, Full Time | December 2023 – March 2024

- Built LLM-based explainability pipelines over knowledge graphs to support scientific discovery and transparent multi-hop reasoning.
- Designed efficient path-based graph traversal methods for node accountability, reducing reliance on purely statistical sampling approaches.

ACTIVITIES, INTERESTS & AWARDS

- Awarded ICLR Financial Aid worth \$1600 for attending ICLR 2026, Brazil.
- Selected for the **WACV 2026 Doctoral Consortium** with a travel grant of \$1500, USA.
- Received a travel grant to present at **ConfAI**, Plaksha University, and deliver a talk on *Multibias Mitigation*.
- Awarded a student grant to attend the Graduate Forum at **IndoML'25** (December 2025).
- Selected for the prestigious **TCS Research Scholar Program (RSP)** (July 2024).
- Awarded **Prof. Ram Kumar Fellowship** (July 2024) for attending GAME-ARTS, IISc Bangalore.
- Received a seed grant from **IICE, IISER Bhopal** for **NirVahan** — a vehicle accessibility project on human-vision-compatible NIR sensing.
- Awarded student grant for attending **IndoML'23** at IIT-Bombay (December 2023).
- Attended *7th Summer School on AI at CVIT, IIIT-Hyderabad* (July 2023).
- Attended SERB Funded Workshop on Synergizing Healthcare Services and Affective Computing using Deep Learning at IIT Indore (July 2023).
- Recipient of the **ACM Anveshan Setu Fellowship** (2023); mentored by Dr. Vineeth N. Balasubramanian (IIT Hyderabad).
- **University Student Head** of Institute Innovation Council (IIC) - an initiative of MHRD (Ministry of Human Resource and Development) for fostering innovations in institutions.
- Initiated University Magazine **ASTITVA** and worked as Chief Editor for 2 consecutive years.

* Title of paper (in Under Review / Submitted) is changed and simplified to maintain the anonymity of submission.

† Equal contribution.
